GOLF GOSS Post AGM 2025/26

Presentation of awards / end of year Break-up

The Committee decided on a new format for our end of year breakup starting with 9 holes of golf followed by the yearly awards presentation in our club rooms, and then lunch at the Wild Geese Hotel.

The day started with a 3 club 9 hole competition much discussed by members and always fun. The presentation included acknowledgement of the winning players in our club followed by an enjoyable lunch at the Wild Geese Hotel.

RPLGC would like to thank and acknowledge Vicki Somers, Dianne Turner, Maggie Germaine, Angela Moylan for organising our lunch. The venue was perfect, quiet enough to chat, move around, lunch was very reasonably priced and delicious and most members would like this to remain the chosen venue for future breakup lunches.

The Raffle: MoVida voucher for \$200.00 donated by Toni O'Sullivan
Rich Glen Products donated by Helen Fraser
Wine and Bubbles donated by Dianne Turner, Angela Moylan

\$557 was raised to donate to the Foodbank, our chosen charity for 2026.

A huge thank you to Toni, Helen, Dianne and Angela and the support of our members.

Golf Trip to RACV Creswick Goldfields

The 2025 end of season trip away was a very mixed event. Accommodation was first class however, weather challenging, organisation of golf by the resort very poor, meals not good and accounting appalling!

Not much else to say other than despite the above we all had a fun time together.

Summer Golf

Thank you Maggie for once again organising summer golf. It has been a huge benefit for members wishing to play over the Christmas/New Year break, a chance to improve their golf ready for the coming 2026 season. I heard that there were more than 20 members attending most days, and read that Oxana the owl was shared around. It has also showcased our club to the public and we have two new members joining us this year. Well done Maggie.

2026 Pennant

RPLGC re-entered VGL Pennant competition 3 years ago after a break of more than 40 years. Barb Allen was our Captain for those 3 years and each team performed admirably, with extra club members filling in as emergency players when required. It was a great team and club effort, especially last year when multiple injuries, at times made fielding a team quite challenging. RPLGC not only made the finals but has won the Pennant three years in a row.

This year, as our club membership has grown, we have a strong team all with lower handicaps. Barb has passed the captaincy to Bern, and our team will possibly be playing in a higher grade. **Go Girls!**
