Golf Trip to Bendigo 30th November 2026

Thank you to members for advising preferences and paying their deposit on time. The balance will be due 30 days prior to our trip (end of October). More details regarding the golf will be issued at that time.

Lunch and open meeting discussion:

New Golf Tops

Maggie has once again done a wonderful job sourcing long and short sleeve t shirts. She brought samples and a selection of sizes for people to make a choice.

STOP PRESS

Maggie advises that she has applied for a grant to cover the cost of the t shirts, she will know if successful by the end of August. To be advised.

Food Bank

A large number of food items were brought by members to our Open Meeting and they were taken to our local Food Bank centre. a huge thank you to Cathy Hay for delivering that afternoon, she later told us that she felt so pleased as the centre had no food to hand out and were so appreciative. A big pat on the back members for your support!

Golf Trip 2027

Twenty members at RPLGC open meeting indicated interest in a possible 2-3 day trip to the Murray river region 2027. Once investigated early 2027 information will be sent to members .

Muslim Women's golf day

In July we welcomed 16 women from the Muslim Womens Council of Victoria including the founder and CEO Afshan Mantoo and the current President Sherife Ymer. The women came from many different countries, including Indonesia, India, Kashmir, Eritrea, Pakistan to name a few.

Thank you to our catering group for a delicious morning tea. Our raffle raised \$250.00 to add to our donation at the end of the year to support the food bank.

How can we have a raffle without prizes, thank you to Drummonds Franklin St store for their donation of 3 x \$50 gift vouchers, Corrine for the gift of an Orchid plant and Helen for a hamper of teas. One of our guests also provided a plate of middle eastern sweets to be raffled, which was much sought after and certainly boosted ticket sales.

The day took some planning, thank you to Murray and GreenSpace for their very generous donation of clubs, balls and Tom Catoggio our PGA professional, his expertise made our guest's golf learning experience fun. Thank you to our members for their generosity of time helping on the putting green and a special thank you to Kath White for helping to organise a very successful event.
